PRIVATE ADOPTIONS

Private adoptions in Ohio are governed by statute, and complying with all of the requirements – document filings, home visits, hearings and more – can seem overwhelming.

Critchfield's trusted and experienced adoption attorneys work with adoptive families and birth families throughout Northeast and North Central Ohio. We guide our clients through the complicated adoption process and navigate the complex web of paperwork and hearings, making sure that all proper procedures are followed so that an adoption is not delayed and our client's rights are protected.
