HEALTH INSURANCE AND ERISA LITIGATION

For decades, the attorneys at Critchfield have afforded employers and insurance companies top-quality services in the complex fields of health insurance and ERISA-related litigation.

Our team handles all kinds of benefit disputes for both businesses and insurance companies, defending claims related to group health benefits, fraudulent enrollment, provider fraud, network access disputes, and hold harmless litigation.

Our litigators have experience in state and federal courts, both at the trial and appellate levels. But before we go to bat for our clients in the courts, we work with them to mitigate risks where possible and counsel them on how to avoid expensive and time-consuming litigation.
